

NIKKI JOSHI

Frontend Developer

+91 7060990634

GMS road, dehradun

joshinikki238@gmail.com

SKILLS

- Html,css,javascript
- Git , Github
- Java , dsa(basics)

PROJECTS

Personal timetable scheduler

- Built a fully functional, responsive timetable web application to help students organize and view class schedules.
- Designed a clean and intuitive UI for smooth user experience across devices.
- Implemented schedule creation and management features (add/edit class timings).
- Demonstrated strong frontend and UI/UX skills — HTML, CSS, JavaScript.
- Deployed the project live, showcasing full development cycle from concept to production.

Tic-Tac-Toe Game — JavaScript Project

- Built an interactive Tic-Tac-Toe game using HTML, CSS, and JavaScript.
- Implemented win-checking logic, draw conditions, and turn-based gameplay.
- Designed responsive UI and smooth user interactions.
- Demonstrated strong basic JavaScript logic and DOM manipulation skills.

Rock-Paper-Scissors Game — JavaScript Project

- Built a dynamic Rock-Paper-Scissors game using HTML, CSS, and JavaScript.
- Implemented random computer move generation and game result logic.
- Designed interactive UI with real-time score updates.
- Improved understanding of JavaScript functions, conditions, and event handling.

EDUCATION

INSTITUTE OF TECHNOLOGY AND MANAGEMENT

2022-2025

Bachelor's of computer applications

HOBBIES

- Designing UI layouts
- Reading tech blogs
- Learning new web technologies
- Solving puzzles / brain games
